

Sadel

Our wine list is a celebration of diversity, much like the rich cultural tapestry that defines England today. We've curated a selection that spans the globe, showcasing over 100 grape varieties, from the well-known to the wonderfully obscure. Whether you're a seasoned connoisseur or just beginning your journey into the world of wine, we have something for every palate.

You'll find wines crafted from native and lesser-known varieties, representing everything from traditional, low-intervention and biodynamic practices. This collection offers a balance between accessibility for those looking to enjoy without concern and an opportunity to explore the offerings of iconic wineries for the curious and discerning.

At Sael, our wine list is more than just a menu - it's an invitation to discover the very best that the world of wine has to offer today. We hope you enjoy exploring it as much as we enjoyed curating it for you.

Somm's Choice

The Turkey Flat Vineyard boasts some of the oldest Shiraz vines in the world. Planted in 1847, these hard-working gnarled old vines are still producing fantastic grapes. Every spring a few of the finest barrels of Shiraz are selected to become base wines for this bottle fermented sparkling wine. Base wines are matured in seasoned French oak hogsheads for up to three years before being tiraged in the traditional champagne method. Following this second fermentation the wine is left to mature in the bottle on lees for 10 months before disgorgement and liquoring with very old Australian vintage port (ranging in age from 14 to 40 years).
